ABOUT THE SEASONS

What is the real reason
That we have each season?

When it's WINTER and it rains and snows,
We bundle up like Eskimos.

Flowers and blossoms cover the ground
When winter is finished and SPRING comes around.

We readily know it's SUMMER we've got
When the temperature's high and the sun is hot.

Then AUTUMN comes when the weather is chilly,
When cold, crisp winds blow willy-nilly.

There are these seasons, numbering four.
When all are finished, they repeat once more.

WINTER BINGO!

This game offers an exciting way to introduce students to the winter season. Give each child a copy of the bingo words listed below or write the words on the chalkboard. Ask students to write any 24 words on his or her bingo card. Use the same directions you might use for regular bingo.
