

Just for Kindergarten

Written and Illustrated by Vera Trembach

Just for Kindergarten has been designed "just for Kindergarten". You will find easy to make learning centre activities and concept big books. Save your originals and file the activities within according to your own filing system (for example, by theme) . At some point you may lose an activity piece or wear out a big book: you will have the replacement parts!

Hands On Visual Discrimination Activities

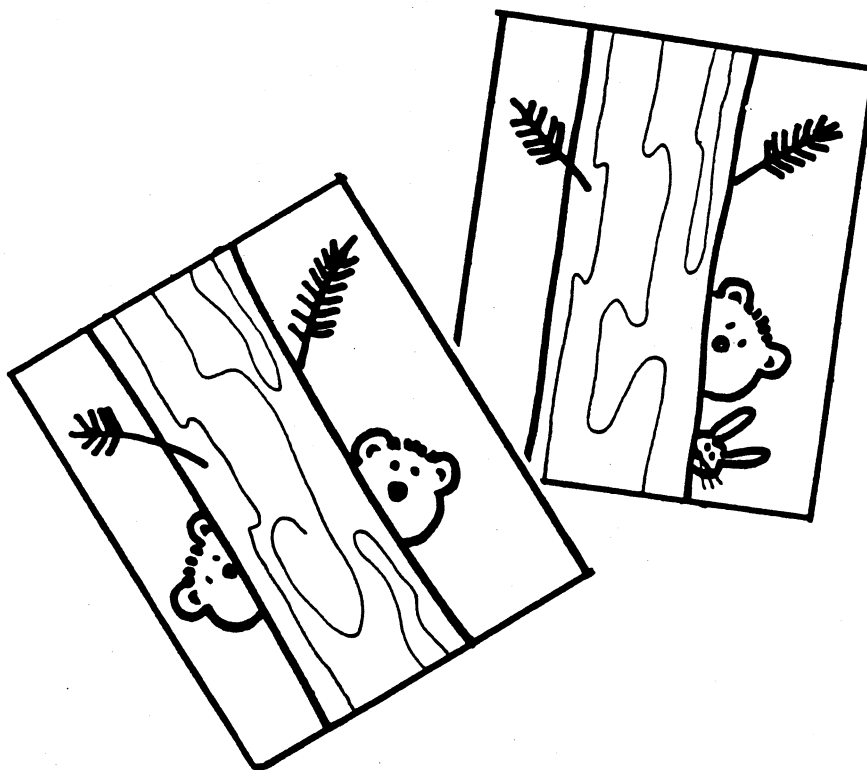

Save your originals in a file for your own ideas.

Student Objective: To match the pictures that are the same.

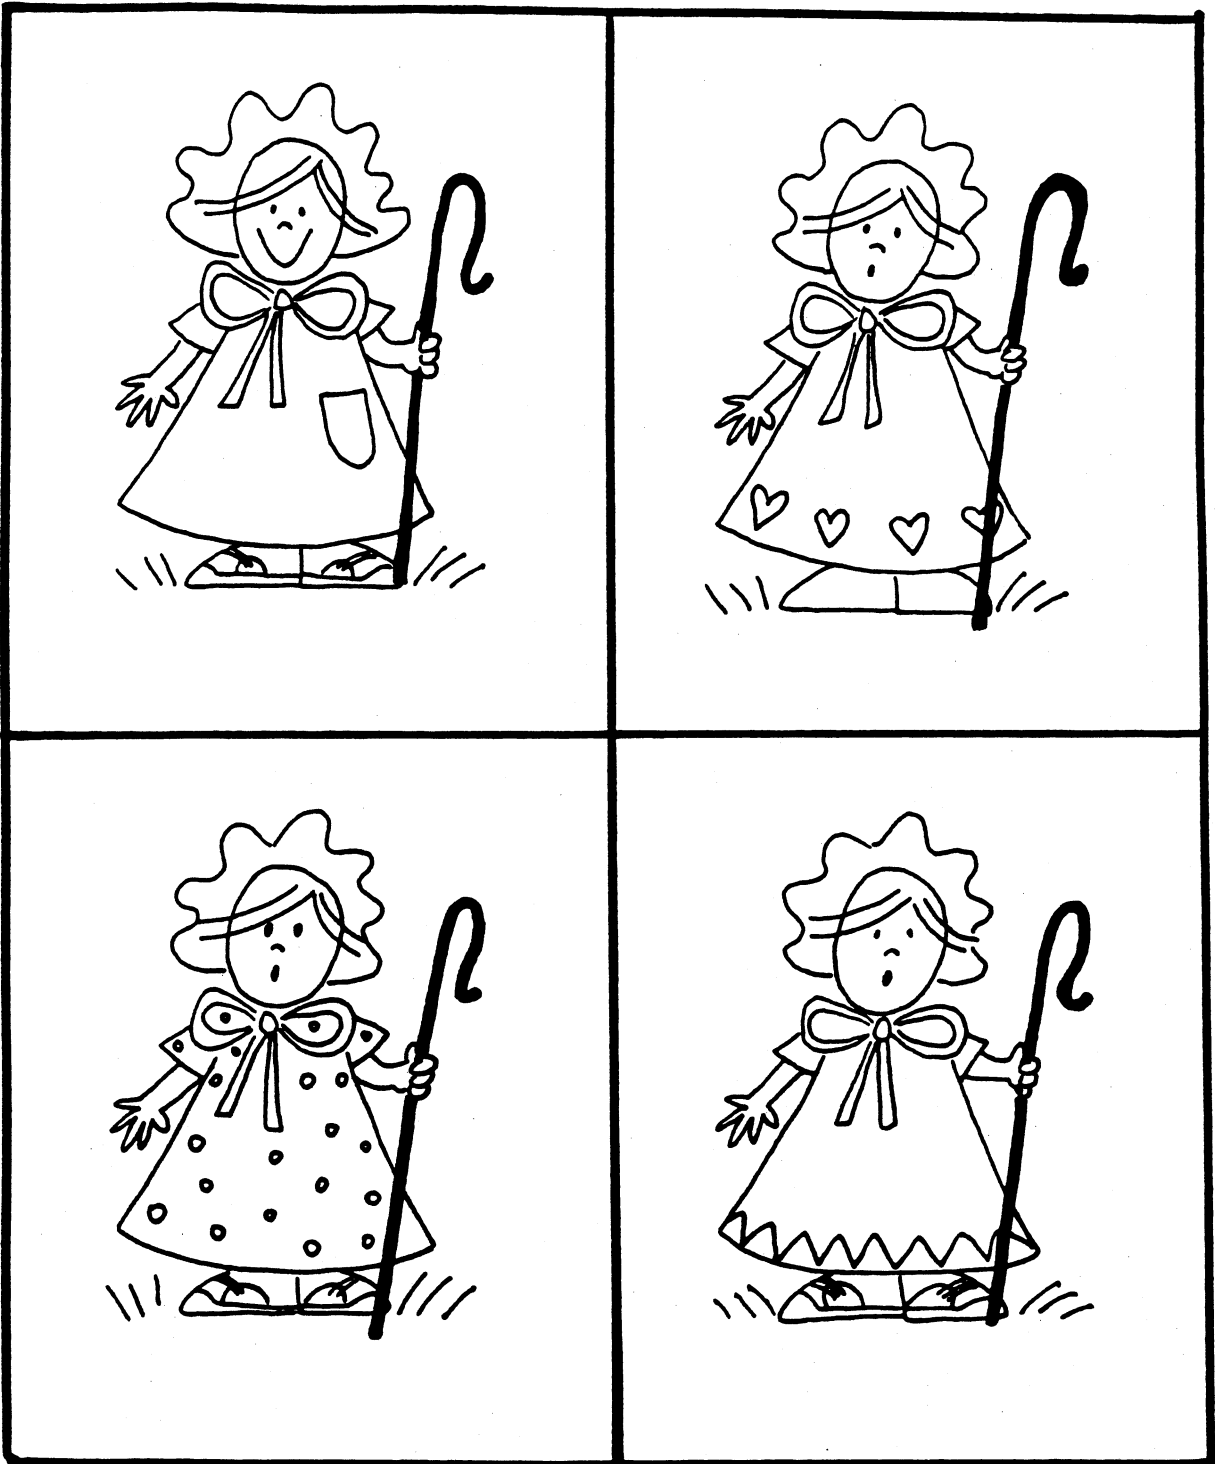

Photocopy 2 sets of each activity. Photocopy each set onto a different colour of bond paper to distinguish the two sets. Mount each set onto a bristol backing.

Colour and cut out the instruction cards that go with each activity.

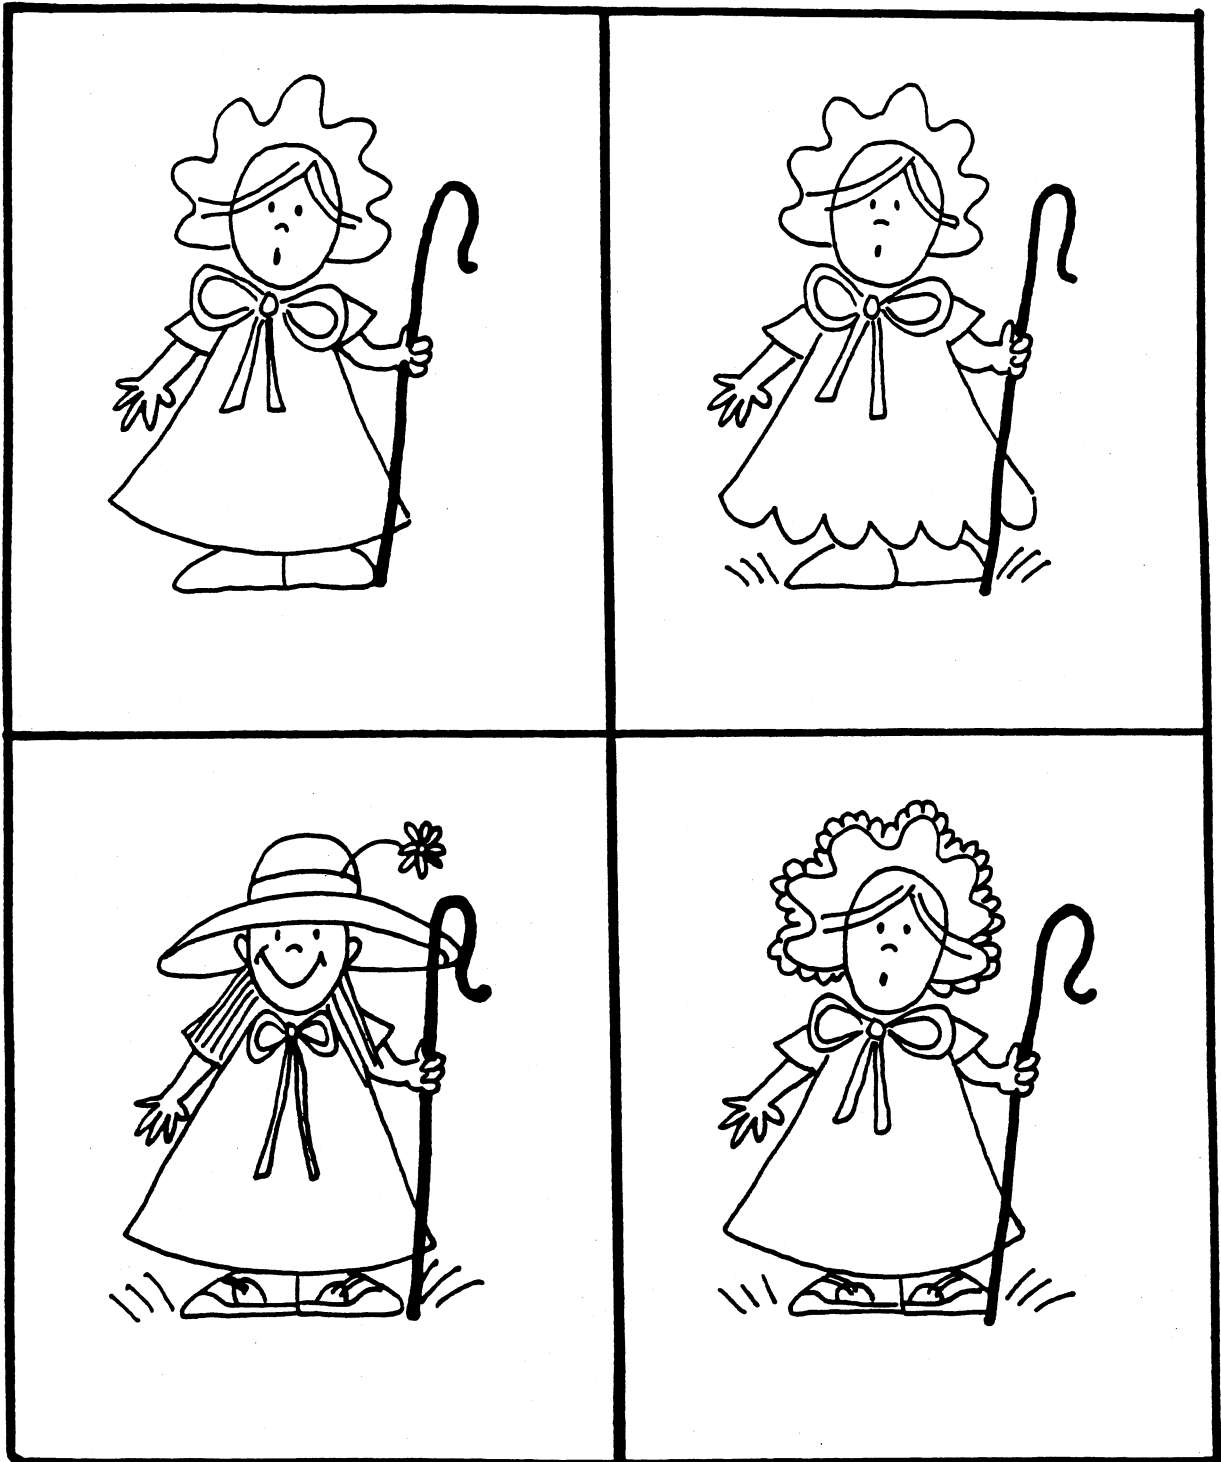

Laminate all the pieces and store in a zip close bag at a learning centre.
